

REGISTRATION STARTED

COPEN 10, 2017

WORKSHOP SERIES

Workshop 1

Precision Manufacturing and its Applications

- Ultra-precision machining processes - Meso, Micro, Nano
- Applications - Case studies

Workshop 3

Research - Do's and Don'ts

- How to write research proposal
- How to write research papers
- Information about research funding opportunities

Workshop 2

Precision Measurements in Modern Manufacturing

- Advances in precision measurements
- Contact and non-contact measuring techniques
- Case studies - Industrial applications

Academic & Industrial Resource persons from India and abroad

6th December 2017

IC & SR BUILDING
INDIAN INSTITUTE OF TECHNOLOGY MADRAS
CHENNAI – 600036
TAMIL NADU, INDIA

Workshop is independent of the conference

Everyone is invited to register !!!
